

**Readiness 48/100****Acquirable with effort**

Acquisition is possible but will take patience and a careful, private approach. Westmore handles exactly this kind of engagement buyer-side.

|                      |                                      |
|----------------------|--------------------------------------|
| Status               | Registered                           |
| Likely controller    | Owner not publicly listed            |
| Ownership visibility | Not listed                           |
| Registrar            | NameCheap, Inc.                      |
| Domain age           | 26 years, 11 months                  |
| Expires              | 2027-11-09                           |
| Transfer status      | Locked (standard, lifted at closing) |

## WHAT THE SIGNALS SAY

- No public owner organisation is listed.
- Locked against transfer, which is standard for valuable names and is lifted at closing.
- Long held (26 years, 11 months). Owners of long-established names are often less motivated to sell.
- No active website was found, so the name may be dormant.

**Start a confidential acquisition**

Westmore represents buyers. We approach owners confidentially and negotiate on your behalf. Public records only.

## ACQUISITION PLAYBOOK

Westmore would approach the current owner confidentially on your behalf, value the name from comparable sales, negotiate quietly toward a fair price, and complete through secure escrow.
