

Readiness 44/100**Entrenched holder**

The owner appears to rely on this name, so acquisition is harder and depends on the right, confidential approach. Westmore can still test interest without exposing you.

WHAT THE SIGNALS SAY

- No public owner organisation is listed.
- Locked against transfer, which is standard for valuable names and is lifted at closing.
- Long held (28 years, 8 months). Owners of long-established names are often less motivated to sell.
- The domain redirects elsewhere, so the owner may not depend on it directly.
- Email is active on the domain, so it may be in private use even without a public website.

Start a confidential acquisition

Westmore represents buyers. We approach owners confidentially and negotiate on your behalf. Public records only.

This is an entrenched, actively used name. Westmore would open a patient, no-pressure conversation with the current owner, keeping your identity and intent shielded so the price stays anchored to evidence.
