WHAT THE SIGNALS SAY

- No public owner organisation is listed.
- Locked against transfer, which is standard for valuable names and is lifted at closing.
- Registered within the last year, which can indicate a speculative holder open to an offer.
- The domain redirects elsewhere, so the owner may not depend on it directly.

Start a confidential acquisition

Westmore represents buyers. We approach owners confidentially and negotiate on your behalf. Public records only.

ACQUISITION PLAYBOOK

Westmore would approach the current owner confidentially on your behalf, value the name from comparable sales, negotiate quietly toward a fair price, and complete through secure escrow.
