WHAT THE SIGNALS SAY

- No public owner organisation is listed.
- Locked against transfer, which is standard for valuable names and is lifted at closing.
- Long held (28 years, 3 months). Owners of long-established names are often less motivated to sell.
- The domain hosts an active website, so the owner is actively using it.
- Email is active on the domain, so it may be in private use even without a public website.

Start a confidential acquisition

Westmore represents buyers. We approach owners confidentially and negotiate on your behalf. Public records only.

This is an entrenched, actively used name. Westmore would open a patient, no-pressure conversation with the current owner, keeping your identity and intent shielded so the price stays anchored to evidence.
